

Join us for a Community Service Event:

# Making Cards for Women in Shelters

Monday, February 7

7 pm to 8:30 pm

On Zoom

Zoom with the [Family of Women](https://www.familyofwomen.org) as we create Valentines for women in battered women shelters to brighten their day. In past years, we've gathered in person to support the Valentine Basket Brigade; now we're pleased to invite you to join us for card-making via Zoom.

As we play with construction paper, stickers, magazines, Sharpies, and glue sticks, we will inspire each other, laugh, encourage, and connect — all the while serving a higher purpose!

## How will this make a difference?

Imagine a woman in a shelter receiving a hand-crafted Valentine. Imagine your card in her hands as she reads your uplifting words and cheerful wishes for peace, hope, and good health.

## How can I help?

Since this is a Zoom event, we can't provide supplies. We can provide connection, fun, and heart. Once you create your Valentines, you can drop them off at a site or mail them to us. Toby Fisher, the founder of the Valentine Basket Brigade, will deliver the cards to the shelters.

## How do I register?

## What is the Family of Women?

The Family of Women ([familyofwomen.org](https://www.familyofwomen.org)) is an international organization of women focused on being the women the world needs us to be – in our families, communities, and the world. We believe that every woman is a leader, and we support women to contribute to society by being leaders everywhere. Through our meetings, training events, and continual support, we deliver skills and tools that help women live richer lives.
